***Please review all permits issued through Riverbrook Permits prior to carrier movement. Between carriers, state permit offices and our agents, permits inadvertently may be issued and delivered in error. ALL permits (legal documents) should be reviewed and approved by the carrier prior to releasing to your drivers for use. It is the CARRIERS RESPONSIBILITY to notify Riverbrook Permits of any error in question so we can have the state revise or reissue the corrected permits prior to movement. Riverbrook Permits will not be liable for financial reimbursements for carriers subject to tickets, fines, corrected permits or legal fees for errors on issued permits subject to your final review and use.
